Enrollment Tips

Scanning ID Document:

- Do not use a document that is heavily damaged or expired
- Ensure your fingers are not over the edges of the document
- Take the photo in an area with bright, even light and no shadows
- Your ID photo and the information on the document must be clearly visible without a glare
- The barcode (if applicable) must be clearly visible
- If after taking a photo of the document several times you continue to see messages about the barcode, simply click next to continue your enrollment

Taking a Selfie:

- Take the photo in an area with bright, even light and no shadows
- Take photo indoors within a stable environment (e.g. not in a moving vehicle)
- Remove masks, heavy glasses, hats, very long bangs
- Hold the phone level with your eyes and keep a neutral expression
- A solid background works best
- If you have trouble taking the photo and do not see on-screen instructions use the back arrow at the top left to move back one step and begin the selfie process again

Liveness Selfie Scan

- Ensure you are in a sunlit area and the light on your face is even
- Increase the brightness of your phone screen
- Hold still without speaking or looking away during the scan

Vaccine Verification Tips

Scanning Your CDC Card:

- Do not use a document that is heavily damaged or expired
- Ensure your fingers are not over the edges of the document
- Take the photo in a well lit area with a dark solid background
- The information on the card must be clearly visible without a glare especially, the logo in the top right corner, title and subtitle in the top left corner
- Stickers blocking any of these pieces of information may impact your upload
- If you photo copied the card, ensure it still maintains the 4:3 ratio of the card
- Ensure your app is up to date

Linking to Your Health Care Provider:

- Please have your patient portal username and password handy
- Ensure you are connected to strong wifi or turn wifi off to use cellular data
- Linking to results through your Health Care Provider may take several minutes. You may close out of the app while results sync
